The Brewers guide you through the beers and the beer making process, and also give you a broad knowledge of the world of beer. For this, we charge £25 per person. A usual tasting lasts 1 hour and covers 6 beers.*

Corporate Brew Days and Brewery Masterclasses: *Are you looking for a great alternative team building exercise for a small team within your company? Or do you just have an interest in beer? Look no further! Corporate Brew Days/Brewery Masterclasses is a great package for you and your team. Spend the day with the Brewers, and learn in detail about how to make beer. You will break for a two course lunch and finish with a pint at the end of the day. This fantastic package is £125 per person, and is limited to 3 people only, due to health and safety regulations inside the brewery. If you are a company booking then we also can name the beer after your company and have a pump clip made for your brew. Then when the beer is put on the bar, we'll inform you and if you bring the rest of your company down for a drink, not only will your*

own beer will be on the taps, but we'll also give you 10% off anything you purchase.

Brewing at Brew Wharf happens approximately once every 10 days and is done according to when we need the beer. Consequently if you would like to do a Brew Day, unfortunately you cannot nominate the day, however you can let us know which month you would like to do it, and closer to the time we can contact you and let you know when we'll be brewing, and if you are free we'd love you to join us.
