Beer tasting with the Brewer: Beer tasting is a fantastic experience, and who better to do it with than the man who actually brewed the beer! The Brewer guides you through the beers and the beer making process, and also gives you a broad knowledge of the world of beers. We do a variety of packages ranging from £10-£35

per person (minimum of 10 covers). A usual tasting lasts 1 hour and covers 6 beers.

Or **if you're looking for a great gift idea** or a great day out or even if you just have an interest in beer? Look no further!

Brewery Master Class!

Spend the day with the Brewers, and learn in detail about how to make beer. You will break for a two course lunch and finish with a pint at the end of the day. This fantastic package is £50 per person, and is limited to 3 people only, due to health and safety regulations inside the brewery.

Brewing at Brew Wharf happens approximately once every 10 days and is done according to when we need the beer. Consequently if you would like to do a Brew Master Class, unfortunately you cannot nominate the day, however you can let us know which month you would like to do it, and closer to the time we can contact you **and let you know when we'll be brewing, and if you are free we'd love you to join us.**

If you have any queries please do not hesitate to contact us.
